Walk with the Mayor goes to school this Spring

RIVERSIDE, Calif. – Mayor Ron Loveridge takes the Walk with the Mayor program to school this Spring as he visits the three universities and community college in Riverside, beginning April 24 at California Baptist University (CBU) at 7:30 a.m. Join Mayor Loveridge and special guest Ron Ellis, CBU President, for conversation and a walk around the campus.

“I want to see more Riverside residents out walking and there are many unexplored locations to walk in our city including the grounds of our higher education institutions. That is why I am working with the presidents and chancellors of Riverside’s three universities and community college to introduce our residents to walking opportunities on their campuses,” said Mayor Loveridge.

Learn about CBU while taking a brisk walk around the campus. CBU is located at 8432 Magnolia Avenue near Adams Street, and directional signs will be posted. The Mayor will take a walking route which will last about one hour. Wear comfortable walking/hiking shoes and bring a bottle of water.

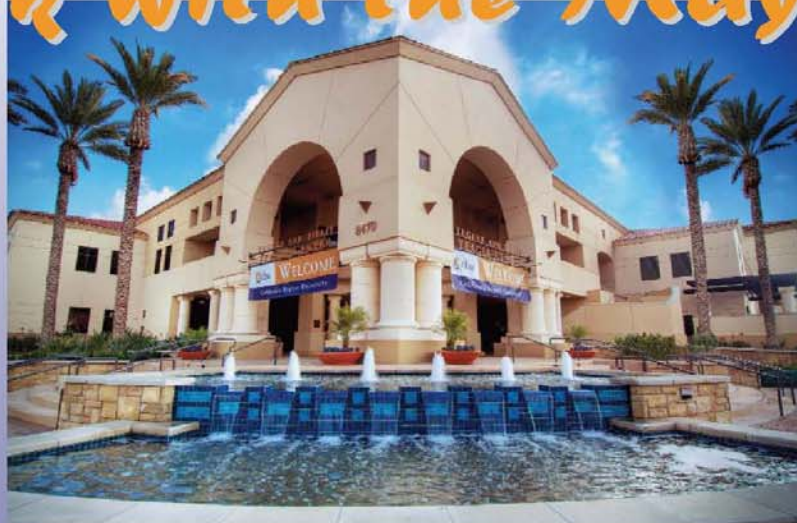

Please plan to meet at CBU at 7:30 a.m. for a welcome and warm-up time; the walk begins promptly at 7:45 a.m.
